PROJECTS

- **SOCIAL ANALYTICS COMMAND CENTER** - *Present*

Domain : Web Development

A social command center is simply a dedicated area where a company's can monitor and engage social conversation around their brand and market

- **PORTFOLIO WEBSITE**

Domain : Web Development

Developed a personal portfolio website showcasing my skills using HTML, CSS, and JavaScript. Implemented a clean and responsive design to ensure optimal user experience across devices. Utilized HTML for structuring content, CSS for styling and layout, and JavaScript to enhance interactivity and functionality. Incorporated a user-friendly navigation system, highlighting projects, skills, and contact information.
